THE BEST TECHNOLOGY FOR QUILTERS

The BERNINA 770 QE PLUS Kaffe Edition combines innovation with plenty of space. The extended freearm creates an extra-wide work area, with 254mm space to the right of the needle for large quilt projects. The fast and quiet BERNINA Hook sews high-precision stitches up to 9mm in width. The bobbin holds up to 70% more thread than standard bobbins. Both the BERNINA Stitch Regulator (BSR) and the BERNINA Dual Feed come as standard. The BSR ensures beautiful, even stitches when free-motion quilting, whilst the Dual Feed effortlessly handles difficult and fine fabrics by feeding from both the top and the bottom.

BIG BLOOMS INSIDE!

With 531 decorative stitches, 74 quilting stitches, 38 utility stitches and 9 sewing alphabets, the BERNINA 770 QE PLUS Kaffe Edition is well equipped for all your creative needs. 31 exclusive decorative stitches were designed specifically for this machine – based on hand-drawn designs by Kaffe Fassett
